Meetings

What is Plastics Meetings Mexico?

Plastics Meetings is the venue where Plastics suppliers and contract manufacturers will meet through pre-arranged BtoB Meetings.

This Business Convention will help save time and increase their business opportunities by meeting the right contacts.

Benefits

- Greater visibility
- Identify and request meetings with relevant contacts prior to the event.
- Save time and money by direct contact with your targets in only two days.
- Turnkey service: 100% focused, organized and professional.

Program

September 25, 2018

Plenary Session focused on the Plastics industry in Mexico & how to do business with Prime companies.

September 26, 2018

Workshops reserved to professionals that wish to present about their products, capabilities or services to be used in the Plastics industry.

September 26 & 27, 2018

Pre-arranged BtoB Meetings based on each participant's choice of contacts.

Who can participate?
